Hello, my name is Craig Dale and I am the current federation Representative for Inverness. I have 25 years Police service at Portree, Inverness, Bonar Bridge, Longhope, Kirkwall , Tain and have now returned to Inverness where I work in Community Safety.

I am an IOSH accredited Safety representative and am qualified to represent my colleagues at Fairness/Industrial Tribunals. I see my main task however as being available at any time to provide my colleagues with discreet advice, support and assistance with any work related or welfare problem.

I often don't have all the answers to hand but always know someone who does! Simplest way to contact me is to call or text 07595005418 , alternatively my direct extension at Burnett Road Police Station 01463228440 or better still come and see me personally at the Community Safety Desk.
