For those of you who don't know me, my name is Gordon Deans and I started my Police career with the Metropolitan Police in 1987 where I served in Holloway, Highbury Vale and Archway in North London.

In 1996 I transferred to Lothian and Borders Police where I was stationed at St Leonards, Howdenhall and Gayfield Square and spent time as an AFO before joining Gayfield Square CID.

I transferred 'again' to Northern Constabulary in 2003 where I spent 18 months in Inverness West Sector before being promoted to Sergeant in 2004 and posted to Orkney where amongst other duties I am the Health and Safety Rep and a Force Negotiator.

I was elected to the Joint Branch Board as Sergeants Representative for the Islands in January 2009 and have since completed the Federation Training Course. As a native to Orkney I have a strong understanding of the unique issues Island life poses both for our members and their families and strive to ensure that these issues are fully recognised and catered for.
