I joined Northern Constabulary in January 1985, having been born and brought up in Kirkwall, Orkney. Prior to this, I was an electronic and electrical engineer. Since then, I have served in Nairn, Lerwick, Force Training Department, Scottish Police College, Nairn, Road Policing, Aviemore, Inverness and Kirkwall. I am currently Inspector within the Orkney Area Command.

This is my second term of office with the Scottish Police Federation - Northern Branch. I was previously an elected representative for the Inspecting Ranks in East Division and Headquarters and following my transfer to Orkney, I have returned to the Joint Branch Board as the Inspectors Representative for the island areas.

I currently hold the position of Chairman of the Northern Joint Branch Board.
