I joined Northern Constabulary in 1984 and have undertaken uniform duties at Kirkwall, Inverness, Kingussie, Stornoway and within Roads Policing. Whilst in Stornoway I served for a time on the JBB as the Islands Sergeant Representative. I took up the role of Area Inspector at Dornoch in January 2007, and again became involved with the JBB as Inspector's Representative for Caithness & Sutherland. I am currently one of the Headquarters and East Division Inspector representatives on the JBB.
